

AGN. NO. \_\_\_\_\_

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

NOVEMBER 23, 2004

The intersection of 45th Street West and Avenue N in Lancaster is near two schools and a few blocks from the future site of an Albertson's grocery store. It is also the site of a deadly accident which occurred last Wednesday morning.

Currently controlled only by a two-way stop sign for motorists on 45th Street West, Public Works officials conducted a study and recommended in August that a traffic signal be installed at the location in January, 2006.

I, THEREFORE, MOVE THAT the Board of Supervisors direct the Department of Public Works to examine its data and traffic studies to expedite installation of a traffic signal at the intersection of 45<sup>th</sup> Street West and Avenue N in Lancaster.
